

Watch Battery

Buy 4, get one free

Each installed with a one year guarantee (for most models), with this coupon. We will also blow out contaminants found inside your watch, buff scratches from plastic crystals and test the battery & movement. If the watch does not work with the new battery, there is no charge. They do not have to be used all at once (expiration Jan 2029). This is what we've been doing for the past thirty years.
